

Wellington College

# 'A Weekend of Celebrations'

## 19 - 22 October, 2017 LABOUR WEEKEND

Our 150th Celebrations will be the culmination of our anniversary year and we are going to make sure it happens in style! Our celebrations will give you the chance to return to Wellington College and let the memories come flooding back.

This is our opportunity to celebrate with the thousands of people - Old Boys, current students, staff and friends who have all played an integral part of our community over the past 150 years and who have made Wellington College into the inspiring school of choice for young men that it is today.

Wellington College is flourishing and we look forward to welcoming back everyone to celebrate together our many achievements.
